

DISCOVER HISTORY FIRST HAND AT ROCK FORD PLANTATION!

ELEMENTARY SCHOOL BARN PROGRAM

Rock Ford Plantation provides an educational program designed specially for your appropriate grade level. Our program conforms to the Pennsylvania Department of Education Academic Standards for History 8.1 and 8.2.

BARN PROGRAM

The Elementary School Program includes the following: Introduction In our restored 18th-century barn, a docent in period dress provides an interactive discussion on General Hand, his military career, his family and 18th-century medicine.

Several students will be chosen to dress in 18th-century reproduction children's clothing.

HOUSE TOUR

A guide will help students explore the three floors of the stately mansion where General Hand and his family lived over 200 years ago.

SUPERVISION

We strongly recommend one adult for every 8 students.

GROUP SIZE

The maximum group size is 55 students. For groups of more than 55 students, we recommend coordinating your visit with another local museum or park so that half the group tours Rock Ford while the other half tours the other museum. However, we will attempt to make accommodations.

COST

\$4 House Tour Only

\$5 House Tour and Barn Program

Teacher or leader of home-school group is FREE.

One FREE adult per every 10 students.

Additional adults: \$5

Payment is required on the day of the tour. Checks should be payable to "Rock Ford Foundation." All major credit cards are also accepted.

TOUR TIME

Please allow approximately two hours for your visit.

Tours are generally scheduled on the hour Tuesday through Friday between 10 AM and 3:00 PM, April through October.

The Barn Program is not available on Fridays.

If you must cancel, please email rockfordmail@yahoo.com or call the Rock Ford office at (717) 392-7223 as soon as possible. We will arrange a new date for your visit at that time, if possible.
